Lloyd & Diana's Garden

In this month's Newsletter we have introduced a NEW regular feature. We will be dedicating a whole page to find out a little more about club members and volunteers. We thought it was very appropriate to start this NEW feature with the Spotlight on Jen Wood who was the very first volunteer and for several years helped on the club committee. We value our volunteers and would like to thank all who have given up their time to help club members have a great time. We are looking for additional volunteers and if you know of anyone who would like to help when we reopen, please ask them to contact us 07704 040 399.

Thanks Lloyd & Diana (Club Founders)

Members Birthdays

Happy birthday to a lovely couple. Roy and Rosemary have birthdays just days apart from each other.

Happy birthday to dear Jenny we hope you had a great day.

For Sale – One Jackdaw Nest in need of some work!

An enormous Jackdaw nest was discovered in the Huntsham Village Hall roof. Jackdaws have been patiently bringing in twigs through a hole in the gable end that the Hornets use. It was 4 ft high, covered about 6 square ft.

Thanks to Penny Saunders for this article.

RUTH We all know how much you love Owls

But this is going too far!

"I could have been called. Carole"

My seven-year-old brother was allowed to choose my name so he picked Jennifer after one of the three girls in his class, as he liked her the best! I could have easily been called Carole!

"My first job was as a Librarian"

Jens Best Bits!

"My proudest moment and biggest achievement was receiving my MBE for services to libraries from the Queen in 2002 (photo top of page). In my career, I met many fantastic authors when they visited to give talks. Some of these were Simon Hall (from Spotlight), Peter James, Ann Cleeve (author of the " Vera" books), Kate Ellis, and Bernard Knight, to name but a few. For many years I helped at Musgrove Hospital shop and the Tombola at their annual fete, and I have enjoyed compiling fundraising quizzes".

Places I have visited.

I Lived and worked in Melbourne, Australia 1968 - 1972. Whilst there I visited many wonderful places like, Canberra, Adelaide, Tasmania, and the Blue Mountains (they really are blue!). On the cruise ship out and back, visited Las Palmas, Capetown, New Zealand, Cook Islands, Tahiti, Acapulco, Panama Canal, Barbados and many more. I have also travelled by hovercraft to Calais and went on a coach trip to the Dutch bulb fields. I usually holiday in this country, particularly ***Cornwall****.*
