Welcome to the second issue of our Newsletter. Diana and Lloyd are Delighted with the positive feedback received on the launch of this new service. We would like to thank

members who have sent us photo's which we have included in this issue and would encourage all members to either send us photo's, memories, poems or jokes that we can include in future Newsletters.

Coronavirus Update – Since our last Newsletter it would appear from the daily government news briefings, that the rate of Covid-19 infections is slowing and this gives us all reasons to feel optimistic. Keep listening to government advice and hopefully we will be able to re-open the Young at Heart Club soon.

*It's lovely to Keep in Touch
