This is the anniversary of the launch of our clubs Newsletter. It has been 12 months since Lloyd and Diana started this publication and we are delighted with the number of members who have contributed to its content and hope that it has helped you get through the past twelve months which has been so tough for everyone. It is a costly exercise producing this Newsletter and we would like to thank those of you who have given donations to enable us to print and circulate so many copies. We are proud to have contributed a little light relief to your lives during the Pandemic Lockdown.

Our ChitChat service has also proven to be popular and we welcome anyone who would like to join us on Tuesdays.

"My first job was as a Gentleman's Manicurist at John Lewis Exeter and then I joined Honiton Pottery as a painter".

Places I have visited.

I was born in Exeter and when I married Nicholas who was in the army, I found myself moving to places around the country dependent upon where Nicholas' was posted as part of his job, this included a flight to Tripoli. I have had some lovely holidays in Spain, Portugal, Austria and Paris but it was always great to get back to England!

"Hot Shot"

"My proudest moment was when my husband was stationed at the Royal Anglian Regiment. He put my name down for the .22 Small Bore shooting competition. I had not shot a rifle before meeting my husband but it would seem that I had a natural eye and steady hand. Much to the amazement of all the competitors, including the men, I won the Champion Trophy 3 years in a row".
