***Coronavirus Update – The gradual easing of lockdown is now being implemented by the government. This is a small but important step which we welcome with caution and we must all continue to respect social distancing rules. Hopefully, we are getting nearer to re-opening the club soon. But we will not do this unless it is safe to do so.***

## BIRTHDAY GREETINGS

We hope that Judy and Tony had a lovely birthday!

Poem sent in by Ruth.

Smiling is infectious,  
You catch it like the flu.  
When someone smiled at me today,  
I started smiling, too.

I passed around the corner  
And someone saw my grin  
When he smiled I realized  
I'd passed it on to him.

I thought about that smile  
Then I realized its worth,  
A single smile, just like mine  
Could travel round the earth.

So, if you feel a smile begin,  
Don't leave it undetected  
Let's start an epidemic quick,  
And get the world infected!
