THANK YOU!

We received an overwhelming positive response to our Questionnaire we sent out last month and we would like to thank everyone who took the time to return their forms.

Despite the club being forced to close its doors in March because of the Coronavirus, we would like to let all members know that we remain as active as ever.

Unlike other Day Service providers, we introduced 3 New Services during

the lockdown (Newsletter, Befriending and ChitChat) so that members would not be left isolated and lonely. The club has been praised for its initiative and classed as "inspirational" during these difficult times. We hope that you are as proud of being a club member as we are in serving you.

We continue to recruit new club members who are excited about using our unique ChitChat service which we run every Tuesday. If you haven't tried ChitChat yet, why not give it a go! it is FREE and exclusive to club members.
